BAR & GRILL

We are adding a temporary 15% surcharge due to rapidly rising food and labor costs. We want to be transparent about the increase in prices and look forward to when we can do away with it!

As we move towards opening all of our locations to full service and increased capacity, the health and well-being of our customers, staff, and community is always our top priority. We appreciate the trust you place in us and our team, and ask for your patience as we bring back our staff members and get them all back in the groove of serving guests in person at the high standards that you have come to know at all of our locations.

Please bear with us as we navigate this new normal together, we appreciate your kindness and we want you to know that the safety of our customers and staff is our number one priority!
